

STAFFORDSHIRE BULL TERRIER CLUB OF WESTERN AUSTRALIA
16TH CHAMPIONSHIP SHOW
CLUBS 21ST ANNIVERSARY
SATURDAY 10TH NOVEMBER 2007.

I would like to thank the people who put my name forward and the members who voted for me to judge this show.

Thank you for the lovely entry I received. I enjoyed myself very much in deed. You have some lovely dogs in Perth. It was nice to see no inverted canines and only a couple of dogs with misplaced teeth. Toplines are to be watched closely, a good handler can disguise a bad topline while the dog is standing, but it always shows when on the move. It was lovely to see the baby's out and there was some very good specimens, we do not see this in the UK as we can't show until the puppy is 6 months old.
