

First of all a mighty big thank you, to the officers and committee of the Western Australia S.B.T.C. for the hospitality, organization, showed to my wife, sister in-law and myself and allowing me to judge your Silver Anniversary Champ Show. And more important the exhibitors, especially to those, who have travelled far a field, at a great expense. May I also thank, the exhibitors, for sporting way in which they accepted my decisions on the day. I was pleasantly pleased with the quality of the dogs entered, as I did not know what to expect. When judging I look for balance and fitness, just 1 or 2 could have been fitter, and I'm sure would have reversed placings.

P.S. A big thanks to the stewards for there hard work and expertise.
